MY JOURNEYS WITH THE LÉMAN EXPRESS

www.grand-geneve.org

November 2019
EDITORIAL

From 15 December 2019, the Léman Express will give each and every one of us new travel options throughout Greater Geneva and beyond. In total, 45 stations will be connected via 230 kilometres of tracks, making mobility easier for over a million inhabitants.

For your daily commute from home to work, your outings with friends or family, your shopping trips or any other journeys, the Léman Express offers you new ways of getting to Nyon, Geneva, Evian-les-Bains, Annecy, St-Gervais-les-Bains–Le Fayet, Bellegarde and the main residential areas of our cross-border conurbation.

To make it easier to access the stations and encourage you to use the Léman Express, some new facilities and means of transport will be available to you. Public transport lines will serve the areas around the stations and there will be many parking spaces for bikes and powered two-wheelers, as well as park & ride facilities (P+R) for cars and car-sharing stations.

The reality of life in Greater Geneva calls for efficient and pragmatic cooperation between France and Switzerland. We are working together, day in day out, to make your life flow more smoothly.

The arrival of the Léman Express is an opportunity to revolutionise mobility in Greater Geneva. After years of work, we are convinced that the results will be well worth the funds invested to improve your mobility and your quality of life in our beautiful cross-border region.

Serge Dal Busco
State Councillor
Republic and Canton of Geneva

Astrid Baud-Roche
Regional Councillor
President of GLCT public transport
Auvergne-Rhône-Alpes Region

LEMAN PASS
New cross-border fares from 15 December 2019

You cross the French-Swiss border?
The Léman Pass is your new ticket that will allow you to travel on all public transport: trains, buses and coaches within the Léman Express sector, trams or lake shuttles within the participating zones (see map of zones on pages 8 to 11).

Léman Pass is on sale via the usual distribution channels (agencies, retailers, webshop, mobile app, travel centres). Monthly/annual passes will be loaded onto SwissPass cards in Switzerland and Oùra cards in France.

→ For more information visit lemanpass.com

You only travel within the canton of Geneva?
Your zone 10 unireso ticket or travel pass will remain unchanged for your journeys by train (new Léman Express lines included at no extra cost), tram, bus and lake shuttle.

→ For more information, visit unireso.com

You only travel within France or Switzerland?
The TER Auvergne-Rhône-Alpes or Swiss national fares will still apply. The regional unireso fare will be scrapped, including for connections between the Coppet region and the canton of Geneva.

→ For more information visit lemanpass.com

Possible combinations depending on passengers’ needs

Networks and companies participating in Léman Pass:
BUT, SBB, Mobi’Vals, Mouettes genevoises, TAC, tpg, TPN, TRANSALIS, SIBRA, SNCF
GREATER GENEVA, ESSENTIAL CROSS-BORDER COOPERATION

Greater Geneva covers
• two countries: Switzerland and France
• two Swiss cantons: Geneva and Vaud
• two French departments: Ain and Haute-Savoie
• one region: Auvergne-Rhône-Alpes

With more than a million inhabitants and over 500,000 jobs, Greater Geneva is one of the most dynamic regions in Europe.

Cross-border cooperation in this catchment area has been developing since 1973, when the Franco-Geneva Regional Committee conurbations policy in 2003, the first meeting of the “Conurbation steering committee” was held, bringing together partners from the France-Vaud-Geneva region. In 2013, they confirmed their willingness to work together in a legal entity appointed from Greater Geneva.

2 countries
2 cantons
2 departments
1 region
209 communes
2,000 km²
1,000,000 inhabitants
500,000 jobs

Greater Geneva’s “Green Lane”, a 37 km link between Bonne (74) and Saint-Genis-Pouilly (01), via Geneva.

Underpass at Gland station, a new urban link providing access to pedestrians and cyclists.

Extension of the tram network towards the centre of Annemasse (3.3 km in length with 4 stations to open at the end of 2019).
INFORMATION
